

# RECEIPT OF PASSPORT STAMP

If you want to receive a stamp in your travel document (passport) that confirms the submission of an application, submit with a travel document the letter received from the inspector, which contains information about the possibility to place a stamp in your passport.

In order to place the stamp, visit the seat of the Lower Silesian Voivodship office in Wrocław or one of its Regional Offices, collect a ticket from the ticket machine for foreigners and you will get a stamp at the indicated on it position.

NOTICE: The stamp will be placed in a travel document only if you show the original letter from the inspector, and your request has been filed within the time limit and does not contain formal deficiencies.
